

Human Resource Modernization and
Compensation Task Force

Employee Satisfaction Survey

By now all employees should have received an employee satisfaction survey and answer sheet to be completed and returned to the Psychological Services Division, Office of Medical Services, 706 C of C. If you have not received a copy of the survey, please inform the chief of your office registry, who should contact PSD on for additional copies of the survey.

The results of this survey will be important as a baseline against which we will compare any changes in our personnel management and compensation systems. Employees are urged to complete and return the survey to PSD as soon as possible.
